**Millwood, Inc. Announces New Sales And Engineering Appointments**  
*Dan Behm, Matt Herbst and Paul Shivak join Industry Leader*

Vienna, Ohio, July 14, 2010 - Millwood, Inc. ([www.millwoodinc.com](http://www.millwoodinc.com)), a Vienna, Ohio-based industry leader and innovator of unit load and packaging materials and services, is proud to announce the appointments of Dan Behm, Southeast Regional Sales Manager and Matt Herbst, Mississippi Valley Regional Sales Manager. In addition, Paul Shivak has joined Millwood's new product development and engineering department.

Based in Farmington, Missouri, Herbst services accounts in the five states that make up the Mississippi Valley territory, including Missouri, parts of Illinois, Arkansas, northern Louisiana and eastern Kansas. Prior to joining Millwood, Herbst had five years sales experience in the wooden packaging industry.

A 2009 graduate of West Virginia Wesleyan University, Behm joined Millwood in January 2010. Based in Charlotte, Behm's territory includes southern Virginia, North and South Carolina, Florida and portions of Georgia. Currently single, Behm played soccer for four years before graduating with a degree in business management.

Shivak will be based in Millwood's corporate office in Vienna, where he will be responsible for new product development for Liberty Technologies, Millwood's machinery division. A mechanical engineer, Shivak brings experience in a variety of industries, including office furniture, aerospace, automotive, electric motors and automated materials handling equipment.

"These three gentlemen add even greater depth to the existing sales, marketing and engineering teams in place at Millwood today," says Ron Ringness, Executive V.P. of Sales, Marketing & Technology. "We know that Matt, Dan and Paul will continue to broaden the use of Millwood-branded services among users of packaging machinery, consumables and other application solutions provided by Millwood."
